

2017 ATTACHMENT B

ZION NATIONAL PARK
COMMERCIAL USE AUTHORIZATION

OPERATING PLAN FOR
GUIDED INTERPRETIVE SERVICES

1. Authorized Use:

Interpretive Services: Level Two and Level Three Interpretive Services are organized groups of one or more persons traveling on an itinerary which has been packaged, priced, or sold as a guided hiking tour of authorized trails in Zion National Park (reference Permitted Areas below). Level Two groups consist of 16 to 50 people including group leaders. Level Three groups consist of no more than 15 people, including group leaders. Guides provide an educational forum for the preservation and protection of park resources in conjunction with the management objectives of Zion National Park. Such tours must provide natural and/or cultural resource information about the park as well as safety and resource protection messages.

2. Unauthorized Use:

Public Use Obstruction: Permitted groups are sharing visitor facilities with the general public. This permit does not convey any priority use of any park areas including park trails, road side pullouts, parking areas, picnic areas, etc. Permittees are responsible for the conduct of their clients and must advise clients to stay on trails, walk single file, and allow the public to pass. The use of tripods on trails is prohibited by permittees or clients (monopods are authorized). Tours must not interfere with the general visiting public.

Laws and Policies: A Commercial Use Authorization does not authorize permittees to facilitate any activities or actions that are prohibited in the park. As such, river tubing and associated transportation or like activities is prohibited in the park. For more information on park regulations visit: <http://www.nps.gov/zion/learn/management/lawsandpolicies.htm>. Permit violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide), and the permittee.

3. Guide Requirements:

All Guides must be identifiable as employees of the permittee: This can be accomplished by nametags and/or company identifiable clothing/accessories/hats. Company vehicles must also be identifiable.

Acknowledgement of Permit Conditions: All guides and drivers are required to submit an online acknowledgement of CUA permit conditions before leading and/or driving tours into Zion National Park. This form is available by visiting: https://docs.google.com/a/doi.gov/forms/d/1P3f7hm0-Dv-CznaacCbIXlk9_chyBoF29kAbcW5JrGM/edit?usp=sharing

Basic Zion Competencies: All guides and drivers leading tours under an Interpretive Services CUA are required to have a basic understanding of Zion National Park and must pass the following quiz before leading and/or driving tours. The Interpretive quiz is available by visiting the following web link: https://docs.google.com/a/doi.gov/forms/d/1QSZBzysFQTxs4zpqCz_7uj6waBRlDHJTRDJcXbCiVl8/edit?usp=sharing

For additional guide resources visit: <https://www.nps.gov/zion/planyourvisit/booklist.htm>

Medical Certifications: All guides must have current certifications at minimum in basic first aid and CPR.

4. Speed Limits and vehicle requirements:

Speed Limits: Zion-Mount Carmel Highway and Zion Canyon Scenic Drive: 35 miles per hour, as posted by signs. The vicinity of the entrance stations, Zion Canyon Visitor Center, Zion Lodge, and approach to Temple of Sinawava: 25 miles per hour, as posted by signs. Parking and Campground areas: 15 miles per hour, as posted by signs.

Parking: All vehicles must park in designated parking spaces. Parking and stopping along park roads is prohibited except at designated parking areas or pull-offs. All vehicles must be kept on established roadways, and there must be no interference with pedestrians or other traffic in the park. **Parking and stopping in shuttle bus stops is prohibited.**

The passing of motor vehicles is prohibited throughout the park.

Gear may be tied to the top of the vehicle, carried inside of the vehicle, or transported in a trailer, but must not be attached to the sides of the vehicle.

Vehicles used while conducting interpretive service must have company identification visible on the driver's side of the vehicle. The park reserves the right to refuse entry to any previously undeclared driver or vehicle.

5. Closures and Public Use Limits:

The Zion Canyon Scenic Drive is limited to pedestrians, bicyclists, shuttle buses, private vehicles driven by Lodge guests with lodging reservations, and 26+ capacity passenger buses during the shuttle season (typically mid-March through November). Travel in Zion Canyon above the Lodge is restricted to all motor vehicles except shuttle buses. The permittee's support vehicles are prohibited from traveling up the Zion Canyon Scenic Drive during the shuttle season (unless in possession of overnight lodging reservations as stated above). Visit www.nps.gov/zion for more information on the park's shuttle system.

Additional closed areas: Behind administrative offices, employee housing areas, behind locked gates, near water tanks, beyond fences, on service roads, and in construction areas.

6. Accidents/Injuries/Illness:

All accidents involving property damage, injuries, and/or medical problems must be reported to the park immediately at a ranger contact station or by calling (435) 772-3322. All such information must also be relayed by the permittee to the CUA program manager within 24 hours via email to zion_commercialservices@nps.gov.

7. Resource Protection:

All permittees are required to communicate the following messages to clients receiving interpretive service:

- Group leaders should be aware of current local conditions, flood levels, and flash flood warnings. This information can be obtained by stopping at the Visitor Center.
- Collecting or removing from the park any natural or cultural resource, or damaging or defacing any natural or cultural resource is prohibited.
- Stay on the trail in order to protect delicate vegetation and soils.
- In developed areas the disposal of human waste anywhere other than in designated locations or fixtures provided for that purpose is prohibited. In non-developed areas, the disposal of human waste within 100 feet of a water source, high water mark of a body of water, a campsite, or within sight of a trail is prohibited (36CFR 2.14). The preferred option for human waste disposal is a removal system such as a “[Restop 2](#).” If a removal system is unavailable a 4- to 8-inch deep “cat hole” can be used. Toilet paper must be carried out.
- Take only pictures - leave no evidence of your visit.
- All food scraps (fruit peels, nut shells, etc.) are considered trash and must be disposed of properly. It is a violation to feed the wildlife, including squirrels.
- Smoking on trails is highly discouraged. Smokers must use caution when smoking to prevent igniting a wildfire. Cigarette butts are trash and must be packed out for proper disposal. Trip leaders/guides should check fire conditions for current restrictions.
- Vehicles must not idle their engines when parked. Vehicles that sit with engines idling create unacceptable amounts of noise and air pollution within Zion National Park.

Nighttime Activities: Due to the sensitivity of nighttime resources in Zion National Park, all requests to facilitate nighttime hiking tours must be submitted at least three weeks ahead of time to zion_commercialservices@nps.gov. All requests must include all proposed locations and dates/times of proposed nighttime activities.

8. Safety Precautions:

Permittees must post a safety notice and advise all participants to read this notice (and/or provide a safety talk before activities begin). Information contained in this notice must include, but not be limited to, water safety, environmental hazards (weather, floods, sun, temperature, etc) and resource protection. Leaders should remind participants that heatstroke is a real danger in the desert. Participants should be advised to drink lots of water, eat snacks, and wear hats/sunscreen to minimize sun exposure. Safety information and weather conditions are available at park visitor centers and by visiting www.nps.gov/zion

Each guide must carry and maintain a kit for emergency medical care. The kit must be appropriate for group size and the nature of the activity and include a flashlight.

9. Entrance Fees:

Each time a permittee enters the park, they must identify themselves at a park entrance station or at the Kolob Visitor Center by presenting a valid Commercial Use Authorization Permit to park staff (and must be able to present to park staff upon request at other park locations). Group leaders must register all groups and identify trails being used by submitting an Attachment E Form during entry. This will enable park personnel to verify holders are on the approved list for commercial activities.

Fee Schedule (subject to change):

Level 2 Interpretive:

\$70.00 per-vehicle (7-15 person seating capacity)
\$80.00 per-vehicle (16-25 person seating capacity)
\$190.00 per-vehicle (26+ person seating capacity)

Level 3 Interpretive:

\$15.00 per participant individual entrance fee will apply to each participant (children 15 and under are free). Participants may use annual or lifetime federal recreational land passes according to instructions listed on the back of the pass. Guides may not use personal passes to admit clients (Guides are exempt from entrance fees when facilitating a commercial activity.)

Individuals or groups who have previously paid an entrance fee must show proof of prior payment. No fee will be collected from an empty vehicle entering the Park for the purpose of picking up passengers. Tunnel permit fees are required for all vehicles over 7' 10" wide and/or 11' 4" high.

10. Camping:

If campground camping is required by the permittee while in the park, such camping must be in the group campsites if available and if group size is nine or more. Only two commercial groups (**not of the same affiliation**) may be in the campground on a given night. Contact the National Recreation Reservation Service at (877) 444-6777, or by website at <http://www.recreation.gov>, to make group reservations. Should a group campsite be unavailable, the permittee's group may camp in an individual site if the group size is six or less. If the group size is seven or more, the permittee's group must not camp in one individual site but may reserve two or more sites with no more than six people per site.

11. Permitted Areas:

Services for this permit are authorized only at the following trailheads/trails. No two groups from any one company are authorized to guide (or be on) on any one trail at the same time. Groups may travel on foot up to 100 feet off of designated trails, using existing disturbances or staying on hardened surfaces.

For Level 2 permits: (16 People or more)

- Angels Landing Trail to Scout Lookout
- Court of the Patriarchs
- Grotto Trail
- Kayenta Trail
- Lower and Middle Emerald Pools
- Pa'rus Trail
- Riverside Walk (paved portion only)
- Weeping Rock Trail

When entering the park under a Level II permit, groups are not permitted to split into smaller units in order to hike on Level III trails. Members of Level II groups are restricted to Level II trails, regardless of the number of people hiking.

For Level 3 Permits: (15 People or less)

- Angels Landing Trail
- Canyon Overlook Trail
- Court of the Patriarchs
- Grotto Trail
- Kayenta Trail
- Lower, Middle and Upper Emerald Pools
- Narrows but not into or above Orderville Canyon (1.5 miles north of Riverside Walk)
- Pa'rus Trail
- Riverside Walk
- Sandbench Trail (November to March)
- Timber Creek Trail
- Watchman Trail
- Weeping Rock Trail
- Weeping Rock Trailhead to Observation Point
- Weeping Rock Trailhead to mouth of Echo Canyon (not into canyon)
- Weeping Rock Trailhead to mouth of Hidden Canyon (not into canyon)
